

Driving Operational  
Excellence™

Operational Sustainability, LLC®

## OS Services Testimonials

“Operational Sustainability, LLC® was embedded in our organization for more than five years, and was an integral part of transforming our Asset Integrity work practices.”

– *Corporate Manager, Engineering; Anadarko Petroleum  
(now part of Occidental Petroleum Company)*

“OS helped assess EH&S Management Information System (EMIS) needs including the development of functional requirements and an implementation plan across our enterprise.”

– *Director, EH&S, Agrium, U.S. Inc.*

“OS conducted numerous PHA/LOPA studies and developed process safety management systems at several refining locations.”

– *Process Safety Manager,  
Marathon Petroleum*

“OS conducted more than a dozen process safety audits.”

– *Corporate Process Safety Manager,  
Cargill Corporation*

“OS conducted numerous PHA studies at a key refining location.”

– *Process Safety Manager,  
Coffeyville Resources*

“OS helped us circuitize a complex asset and assisted us with our Risk-Based Inspection Program for an offshore asset on short notice. They really came through in a tight spot for us.”

– *Corporate Asset Integrity Manager,  
Chevron Corporation*

“OS helped transform BP’s Maintenance & Reliability culture by identifying nearly \$2B worth of defects that could be eliminated by focusing on optimizing Production Efficiency Improvements across our Global Upstream organization.”

– *VP, Global Upstream, BP*

“Operational Sustainability, LLC® has been working with us since 2011 to improve our asset integrity management systems and engineering information. They have been a huge part of our cultural transformation.”

– *Corporate Engineering Manager,  
Anadarko Petroleum*
